OBJECTIVE

Passionate and driven software engineer with a strong focus on web development. With a foundation in fundamental programming concepts and a knack for problem-solving, I am eager to contribute to dynamic teams and projects. Through self-study and hands-on projects, I have cultivated skills in HTML, CSS, JavaScript, and various web development frameworks. I thrive in collaborative environments where I can learn from experienced professionals while offering fresh perspectives and creative solutions. As I continue to expand my knowledge and expertise, I am committed to delivering high-quality code that enhances user experiences and meets project objectives.

EDUCATION

Bachelor of Software Engineer, (CGPA 3.74)

National University of Modern Languages, Islamabad 2021 - Expected 2025

Intermediate in Pre-Engineering, (Marks 78%)

Punjab College for Information Technology, Rawalpindi 2019 – 2021

Matriculation in Science, (Marks 87%)

Siddeeq Public School, Rawalpindi 2017 - 2019

SKILLS

Technical Skills C++, Java, Python, SQL, HTML/CSS, JavaScript, React, PHP

Soft Skills MS Excel, MS Word, MS PowerPoint, MS Visio

Other Skills Leadership, Team work, Effective Communication

EXPERIENCE

Spearheading the development of a mobile application from concept to deployment, utilizing industry-standard development tools and methodologies.

Collaborating closely with a multidisciplinary team including designers and fellow developers to ensure alignment with project goals and user needs.

PROJECTS

Car Parking Project. Developed a java project for storing data of vehicles for a parking lot, managing the data and tracking the vehicles parked in the parking lot based on their data. (Try it here)

Personal Portfolio. Developed a personal portfolio website using HTML, CSS and JavaScript incorporating a contact form linked to Firebase for seamless communication. (Try it here)

EXTRA-CURRICULAR ACTIVITIES

- Currently enrolled in Microsoft Learn's Web Development program, actively preparing for advance proficiency in web development.
- Actively involved in the MLSA NUML community, collaborating with peers and participating in initiatives aimed at fostering learning and innovation in technology.

Certifications / Challenges

• Meta Front-End Developer by Meta on Coursera

January 24, 2024

• Azure Sekho Challenge by Microsoft Learn

January 2024
